Template for data breach notifications

II. PRINCIPAL INFORMATION ON DATA BREACH

To be completed and shared with the Data Protection Authority within the first 72 hours after having become aware of it.

II.1 Sector of affected party

	Agriculture, forestry and fishing						
	Mining	g and quarrying					
	Manuf	Manufacturing					
		Manufacture of food products, beverages and tobacco products					
		Manufacture of textiles, wearing apparel, leather and related products					
		Manufacture of wood and paper products; printing and reproduction of recorded manufacture					
		Manufacture of coke and refined petroleum products					
		Manufacture of chemicals and chemical products					
		Manufacture of basic pharmaceutical products and pharmaceutical preparations					
		Manufacture of rubber and plastics products, and other non-metallic mineral products					
		Manufacture of basic metals and fabricated metal products, except machinery and					
		equipment					
		Manufacture of computer, electronic and optical products					
		Manufacture of electrical equipment					
		Manufacture of machinery and equipment n.e.c.					
		Manufacture of transport equipment					
		Other manufacturing; repair and installation of machinery and equipment					
	city, gas, steam and air conditioning supply						
	Water	Water supply; sewerage, waste management and remediation					
	Construction						
	Wholesale and retail trade; repair of motor vehicles and motorcycles						
	Transportation and storage						
	Accommodation activities						
	Food service activities						
	Publishing, audio-visual and broadcasting activities						
	Telecommunications						
	IT and other information services						
	Financial and insurance activities						

Although all the information used in this template was taken carefully from reliable sources, Insurance Europe does not accept any responsibility (including, without limitation, any liability arising from fault or negligence) for the accuracy or the comprehensiveness of the information given. The information provided does not constitute financial, legal or tax advice.

Recipients of this template should consider the appropriateness of the information given having regard to their own objectives, financial and tax situation and needs, and seek financial, legal and tax advice as relevant to their jurisdiction. In no event shall Insurance Europe be liable for any loss or damage (including, without limitation, costs, expenses, tax exposure or loss of business or loss of profits) arising from the use of or reliance on this template, or otherwise in connection with this publication or its contents.

	Real estate activities					
	Legal, accounting, management, architecture, engineering, technical testing and analysis activities					
	Scientific research and development					
	Other professional, scientific and technical activities					
	Administrative and support service activities					
	Public administration and defence; compulsory social security					
	Education					
	Human health activities					
	Residential care and social work activities					
	Arts, entertainment and recreation					
	Other service activities					
	Activities of households as employers; undifferentiated goods- and services – producing					
	Activities of households for own use					
	Activities of extraterritorial organizations and bodies					
11.2	Size - number of employees					
	1-9					
	10-49					
	50-249					
	250 - 749					
	750-1000					
	> 1000					
11.3	Size - turnover					
	≤ € 2 m					
	≤ € 10 m					
	≤ € 50 m					
	> € 50 m					
11.4	Country where business has its main establishment					
11.5	Country where the breach took place					
5	Training the broadil took place					
11.6	Date/time of the breach					

II.7 Date/time of detection

II.8 Where is data hosted													
	Onsite Cloud												
II.9 Are you aware of the cause of the breach? (please refer to Q27 in Section 3 if no													
	malicious attack												
	□ internal □ external												
	accident (system failure)												
	negligence (human error)												
	other												
11.10	If a result of a malicious attack, what caused the breach:												
	Unknown vulnerability												
	Known vulnerability:												
	□ Cryptolockers												
	☐ Fire reconnaissance												
	□ Phishing												
	☐ Distributed denial of service												
	□ Malware												
	☐ Social engineering												
	□ Blackmail												
	Other												
11.11	Which is the likely impact of the breach:												
	data publication												
	data theft												
	identity theft or fraud												
	loss of data												
	loss of confidentiality of personal data												
	property damage												
	direct financial loss												
	business interruption												
	liability issues												
	damage to the reputation												
	other												

	II.12	2 Type of data exploited / affected / stolen?										
		personal sensitiv	ve (eg h	ealth/genetic da	ata, etc.)		□ non-sens	itive				
		non-personal										
	II.13 If personal, which is the encryption status of personal data:											
		Full		Partial		None						
	II.14 Have the data breached been subject to a Data Protection Impact Assessment (DPIA)?											
		Yes		No								
II.15 What type of IT support does the company have?												
		internal		external								
II.16 What measures have been taken to mitigate the adverse effects of the breach?												
		data recovery										
		deletion of negat	ive softw	vare								
		update system										
		replacement of destroyed property										
		external testing (eg pen tests, etc) enhancement of data security measures										
		other	uata sec	diffy measures								
	II.17 Does the company have insurance for the type of the incident incurred?											
		Yes		No
