

**Insurance Europe** is the European insurance and reinsurance federation. Through its 39 member bodies — the national insurance associations — it represents insurance and reinsurance undertakings active in Europe and advocates for policies and conditions that support the sector in delivering value to individuals, businesses, and the broader economy.

Insurance Europe is an equal opportunity employer. We respect and seek to empower each individual and support the diverse cultures, perspectives, skills, and experiences within our workforce. Applications from disabled candidates are encouraged.

### Join Insurance Europe as an intern in Brussels!

Insurance Europe, the European insurance and reinsurance federation, is offering several internship opportunities in Brussels.

#### What you'll do as an intern

Monitor EU policy developments and support our advocacy on a variety of topics (e.g. personal and general insurance, sustainable finance and corporate reporting, prudential regulation and international affairs).

Contribute to policy analysis, draft briefings and support position papers that reflect the industry's views.

Support working groups and committees, including preparing background notes, presentations and meeting reports.

#### What we're looking for

Education in law, political science, economics or related fields.

Strong interest in EU affairs, financial services, or international policy.

Team spirit, responsibility, and strong organisational and communication skills.

Ability to work in English; other European languages are an asset.

#### What we offer

We offer a paid internship with comprehensive benefits such as the following:

- Benefit from allowances that support working from home
- A working from home policy and remote work policy allowing for up to three days of home office depending on professional commitments and legal requirements
- At Insurance Europe, we understand the importance of work-life balance. That's why we offer a generous holiday package.
- A structured approach to learning and development with a broad range of training opportunities
- Supportive environment: work in a collaborative and supportive environment that values diversity and empowers staff to reach their full potential.
